BIBLE STORY (THE BASICS)

Before Saul encountered Jesus, he passionately tried to destroy Jesus' followers and their beliefs. He approved of Stephen's stoning, and he even traveled around to find and arrest Jesus' followers. But when Jesus himself confronted Saul on the road to Damascus, Saul's life was changed. He could no longer deny the truth of Jesus and his power. And he became one of Jesus' most passionate followers! Even though other Christians were afraid to accept him at first, the changes in Saul's life were real. Jesus had changed him and would use him to change the world.

Bible Point: Jesus changes our lives.

Key Verse: "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!" (2 Corinthians 5:17).
